Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

We were advised in a telephone call from the Examiner on January 29, 2004, that an Office Action had been mailed to our firm on July 2, 2003, and that no response to the Office Action had been received by the USPTO.

Neither the firm's docketing system nor the firm's file for the application contains any record of the Office Action.

We therefore respectfully petition for the remailing of the Office action. We further respectfully request that there be no holding of abandonment or, in the alternative, that any holding of abandonment be withdrawn.

PATENT  
S.N. 10/089,291  
1175/66964

Finally, we respectfully request that a new period for responding to the Office Action be set upon the remailing of the Office Action.

It is believed that no fee should be due under 37 CFR 1.17(h) or (l). However, if a fee is found to be due, the USPTO is authorized to charge it to our Deposit Account No. 03-3125.

Respectfully submitted,  
COOPER & DUNHAM LLP
